Workshop on how to approach children with learning difficulty and Attention Deficit Hyperactivity Disorder (ADHD)

IMET2000-Pal organized a workshop aimed primarily to train Rawan's Association's members of staff. Dr Hasanen Al-Ta'iar; our UK guest and member of the Board of Trustees led the workshop. Dr AlTatia is also a consultant psychiatrist & Tutor at Oxford Health NHS Foundation Trust. Over the course of 2-days, topics primarily related to autistic spectrum disorder, attention deficit hyperactivity disorder (ADHD) and learning disability were extensively addressed. Special attention was particularly paid to practical aspects of approaching children with those disorders in relation to day-to-day practice.

Essential Pain Management Workshop

December 30th, 2018; as part of our program of training healthcare professionals in Palestine on the latest guidelines of pain management, we organised a workshop on Essential Pain Management. About 25 physicians attended the training from different private and governmental hospitals coming from all over the West Bank. Dr Mamoun M H Mansour pain management instructor, an orthopaedic surgeon at Al-Maqassed Hospital, and Dr Sufian Hamdan pain management instructor, and an anesthesiologist at Al-Maqassed Hospital led the workshop.

December 12, 2018; IMET2000-PAL in cooperation with the Ministry of Health and American Arab University- Jenin organised the 19th Critical Core Training: Basic Life Support (BLS) for Nurses. 10 nurses attended the workshop from Tubas and Jenin Governmental Hospitals at West Bank. This workshop was led by Mr. Fayez Ghannam (American Heart Association "AHA") Instructor.

Basic Life Support (BLS) Training for Nurses-Session 21

December 24, 2018; IMET2000-PAL in cooperation with the Ministry of Health and American Arab University-Jenin organised the 21st Critical Core Training: Basic Life Support (BLS) for Nurses. 10 nurses attended the workshop from Qalqilya and Tulkarem Governmental Hospitals at Dr. Darwish Nazzal Governmental Hospital-Qalqilya. This workshop was led by Mr. Salah Taher (American Heart Association "AHA") Instructor.

Master of Science in physiotherapy Scholarship

Mr. Bashar Ayaseh head of Physiotherapy Department at St. Joseph Hospital, Jerusalem, was successfully nominated in 2017 to receive a scholarship sponsored by IMET 2000 to study masters of physiotherapy (Neuro Rehabilitation) at the University of Nottingham, U.K, one of the top 100 universities in the world. This month he returned back to Palestine after finishing his Master degree. Mr Ayaseh will contribute to the field of neuro-rehabilitation in Palestine. We are looking forward to organising a number of workshops led by him to benefit from his expertise.
